WHY ENROL?

OUR TEACHERS ARE EXPERIENCED AND WELL QUALIFIED

Having years of experience with the Cambridge Upper Secondary syllabus (IGCSE) and in teaching their subject matter, you can be sure that your children will get the assistance they need to achieve their potential.

WE LIGHTEN THE BURDEN OF PARENTS OF TRADITIONAL HOMESCHOOLING

Our experienced and qualified teachers will address the teaching part of things for you, delivering syllabus content in a structured manner. Plus, students will be learning together with peers, increasing interaction and sociability.

OUR HOURS ARE FLEXIBLE

Starting at 10AM daily, allows students ample time to prepare for the rigors of the day ahead. Ending at around 3PM allows students leisure time to pursue other meaningful and enriching after-school activities. Plus, you would not have to face the rush hour traffic every day!

OUR CLASSES ARE SMALLER THAN TYPICAL

This allows better focus and attention during the learning and teaching process, for both students and teachers alike.

OUR COURSES ARE AFFORDABLE AND ECONOMICAL

We offer an international education based on the Cambridge syllabus, at a fraction of the price.

WE ALLOW STUDENTS TO LEARN AT THEIR PACE, ALLOWING ACCELERATED PROGRESSION

Our courses are not tied to age but instead on levels of knowledge, ability and maturity.

APART FROM THE PURSUIT OF MAIN ACADEMIC OBJECTIVES, OUR ETHOS ALSO EMPHASIZES THAT LEARNING SHOULD BE ENJOYED - WE DO OUR BEST TO ENSURE OUR STUDENTS FEEL SO.
